

I'm Leaving Soon - J.E.Moores © Jan. 1995

Am

Hold me to my lies, you could

Wrong me when I'm right

F

You could stay until the night

Am

Hovers still...

You could hold on to my lies

Undiscovered and though

F

The shining blinds me through and through

Am

Holding on into the moon.

F

You better say your piece

Am

I'm leaving soon.

F

You better get your piece

Am

I'm leaving soon.

F

I know you'll rest in peace

Am

I'm leaving soon.
