G "in"C C
There was a pirate who longed for his princess
G "in"C C
A girl that he loved since just a lad
G "in"C C
And even though he's the Dread Pirate Roberts
G "in"C C
He was wicked, but he was not bad.
G "in"C C
One day he'll give her all that he has.
G "in"C C
One day he'll give her all that he has.

G "in"C C
But even then there were worlds to conquer
G "in"C C
On his ship hand in hand.
G "in"C C
Granite halls where they shall wander
G "in"C C
Staring out at the ships on the sand
G "in"C C
Where all their woes are forgotten
G "in"C C
Oh! Take me there!

G "in"C C
Where the sand and the sea are waiting for me

G "in"C C
Where the sand and the sea are waiting for me
