Rock and Roll Radio Station by J.E.Moores 2021

```
                D                       G
Turn on the rock and roll radio station.
                D                       G
Turn on the rock and roll radio.
                 D                      G
Turn on the rock and roll radio station.
             D
Rock and roll!

 D                    G                                  D
Keeping time is nice, but keep your hands off me.
                       G                              D
I'm just here to dance, not looking for any company.

F                              A - A - A
This is a song I used to love.

                D                       G
Turn on the rock and roll radio station.
                D                    G
Turn on the rock and roll radio.
                 D                      G
Turn on the rock and roll radio station.
             D
Rock and roll!

 D                      C  -  G
I'm scared of the radio
 D                      C    -    G
I'm scared of the outside world
 D                              C                      G
I don't like the messages they keep sending me
 D                  C   G
Turned off the TV set
 D                      C           G
Anti-social media makes me upset
 D                              C                       G
I don't like the messages they keep sending me
                     D   -  C  -  G
Set the people free
