Tell me what you've seen  
Tell me where you've been  
Tell me where you'll go  
I'd just like to know

Em                            "in"G                    G ++  
I've seen nothing colder than your blanket of dreams  
Yeah I've thought it over and it's not what it seems  
I've tried to win you over but I do not aim to plead
