                  G  
I liked everything.  
Am              C  
Every single bit.  
                  G      Am              C  
I liked everything      about it.  
                  G  
Can I tell you the news?  
                  Am  
You're in the groove and on the move.  
                  C                  G  
I liked it oh so much.  
                  Am  
Bunches and bunches.  
                  C      G  
I liked it oh so much.

                  Am  
A bushel and a peck  
                  C                  G      Am  
A hug around your neck  
                  C  
I liked it oh so much  
                  G  
Bunches and bunches.
