Em+ = 022030 // "in"G = 032030 // A- = 002200

Em+  
Once I was a sailor baby  
"in"G  
I sailed across the sea  
A-  
Once there was a lovely maiden  
"in"G  
Waiting home for me

chorus:

Em+  
But now I'm just a cast away  
"in"G  
This island is my home  
A-  
My ship it hit the coral reef  
"in"G  
Now my love's alone  
G  
Could it be  
F G  
A tidal wave is pounding down on me?  
F G  
Ain't no message in a bottle there from me  
F G  
Do you think that she remembers me?  
F "in"G - A-  
In reflections in the deep blue sea

Em+  
Once I was a sailor baby  
"in"G  
And the work was very hard  
A-  
Catching fish for my baby's dish  
"in"G  
On the S.S. Rubilarg

[chorus]
