

Draw On The Moon - J.E.Moores © March 1995

*** = riff: G - (fat E string: 5 - 7 - 3)

A/3 F G - ***
Anytime there's cold and rainy weather
I miss the times we kept warm together

F G
Summer storm
 A/3 A/1 F
In the heat of the night
F G
Cool me down
 A/3 A/1 F
So I can sleep all right

F G
If I could slip you away
 A/3 A/1 F
If I could draw on the moon
F G
I'd do something foolish
 A/3 A/1 F
Write a big "I love you"
F G
It could shine in the night
 A/3 A/1 F
And when you saw it, it would pull ya through.

But still

A/3 F G - ***
Anytime there's cold and rainy weather
I miss the times we kept warm together
