G D C  
I fuckin' love Jesus  
G D C  
And you know it's true  
Am C G  
I fuckin' love the Lord Jesus  
D G  
Even more than I love you.  
G D C  
And I know in my heart I am aching  
G D C  
How I want to end the pain  
G D C  
Oh how it pains me so to see you  
G D C  
Hanging from that cross again.  
G  
Jesus please forgive us  
D  
Forgive our fuckin' sins  
C  
Most of us don't know where we're going  
D  
Or where we've been  
G  
Forgive our fuckin' sins.
