

If You Can See At All - J.E.Moores © July 1987

 C Am
The only thing I want to do
 G A
Is turn my world into a song
 Am D
Share it with all of you
 C Am
So as not to be so alone.
 C Am
All the things I've once held
 G A
Can suddenly slip away
 Am D
Yet a song that is truly felt
 C Em
Will live beyond my day.
 C Am
There's a tree that reaches toward the sun
 G A
And its roots toward the sea
 Am D
Time for it does not run
 C Am
Half as fast, as it does for me.
 C Am
So the only thing I want to do
 G A
Is turn my world into a song
 Am D
Share it with all of you
 C Am
So as not to be so alone.

 D A C
Can you clearly see
 D C G
Between my words tonight?
 D
Cause I wonder
 A C G
If you can see at all - if you can see at all - if you can see at all?
