G

All those years hoping for more
I realize what life is for.
Thought I had nothing to offer you
Never realized myself would do.

All the struggle all the pain
Looking back what did I gain?
The freedoms that you handed me
Introduced me to myself again.

Roll laughing on the floor
Teary eyed begging for more
I like that look upon your face
Offer me a little taste

Your tongue tickles in my mouth
Oh I love the subtle sound
Of your energy release
Tangled up in linen sheets.
