

**Jane's Song** by J.E.Moores

G D G D G  
I gave my world to you.

C G  
A world without boys. Our little place of joy.

Am  
It meant so much to me.

C G D  
I wanted a camp of my own since I was a teen.

C Am  
It was my life dream.

G  
It came true for all of you.

G D G C  
Take what I gave to you. Put it to work.

G  
Roll up the sleeve of your finest work shirt

Am C G  
Get the job done. Get the job done.

G A/3  
Now the day is over. Night is drawing neigh

E/5 G  
Shadows of the evening steel across the sky.

A/3  
Father give the weary calm and sweet repose

E/5  
With our tenderest memory

G  
May thine eyelids close.
