I'd like to thank all the little beasts  
A/5 A/6 A/5 A/6  
Who gave their lives so I can eat

Pork and poultry, fish and beef

Graze in the meadow, just slabs of meat.

I'm chaining you down in your stall

It's off to supper as mother calls

She's set the table and while it's hot we

Praise the Lord for what we've got, it's

Pork and poultry, fish and beef

Graze in the meadow, just slabs of meat.
