C F G
All your life you tried to get away
C F G
Running and hiding day after day
C F G
Now you look back and not so sure
C F G
Why you ever fought the war.

C D7 Am
'Cause you're saving people you just can't stand
C D7 Am
When they need help they get your iron hand
C D7 Am
And all that money we pay in taxes
C D7 Am
Buys him a moment so he relaxes.

Em A Em A
Military man back to the gun
Em A Em A
Military man back on the run [x2]

Your green field is burning cold now

Your home is a just a sooty hole
C F G
Military man ain't life just grand?
C F G
Let Uncle Sam hold your hand!

C D7 Am
'Cause you're saving people you just can't stand
C D7 Am
When they need help they get your iron hand
C D7 Am
And all that money we pay in taxes
C D7 Am
Buys him a moment so he relaxes. [chorus]
