North Star - J.E.Moores © Dec. 1991

F A/3 A/1

Beyond the timeless and the thunder Down below and over yonder I can taste the salt that does appease I cast ashore I sail your seas.

chorus:

Am/3 E/3

This situation brings out the serious

E/:

I bring up this fact as if to tell you

Am/3 E/3

Manifestation is so mysterious

E/3

I'm addicted to this thirst - I just have to, I just have to.

F A/3 A/1

Travel beyond the tactless wonder Down below beneath the thunder I smell the sea, wipe away the salt Follow the stars, it's no one's fault.

[chorus]

F A/3 A/1

I need this now, now I need this. I'm taking on a multitude of feelings. Trees whisper to shadows as wind blows Secrets unrevealed, perhaps I'll never know.

Onward toward the north star 'til twilight shows (x3)
