Bm = XX4432

A
Once upon a time everything worked fine
Bm D
Nothing you could say could give you away
A
Acting so coy and nonchalant
Bm D
Looking my way and pretending you're not
A
I see a funny look, caught a wicked smile
Bm D A
There's no question in my mind, what was in your eyes.

E D A
I see it in the way she moves
E D A
The only one I see in the room.
E D A
I'm not saying that I'm crazy for you
Bm D A
But at night when she lies I know it's true

[end here second time through]

Bm D A
I know we're in love, but we don't talk about it.
E D A
Don't feel like I need to
E D A
After all, there's nothing to prove.
