

Please Don't Cry - J.E.Moores © March 1996

XXX4XX G
Please love Please don't cry
XX77XX G
So many before us tried
XX77XX G
Their words of freedom were not lies
XX77XX G
In every death there was a life

XXX4XX G
Please love Please don't cry
XX77XX G
Beside every husband there walks a wife
XX77XX G
Just remember that they tried

XXX4XX G
Please love Please don't cry
XX77XX G
Freedom is a constant fight
XX77XX G
This I cannot deny
XX77XX G
So natural to wonder why

XXX4XX G
Please love Please don't cry
XX77XX G
In every life a little must die
XX77XX G
In each other, our love survives

XXX4XX G
Please love Please don't cry
XX77XX G
Our self worth and size
XX77XX G
Look into these tired eyes!

XXX4XX G
Please love Please don't cry
