Screaming Freaky Green Things
Am6
All in a row
C
What they want with me
     Am6
I'll never know.
C
Screaming Freaky Green Things
Am6
How can this be?
C   Am6
How can this happen to me?

          C
They're bouncing

And wiggling
          Am
It's like nothing you've seen
        C
Claws catching

Teeth biting
     Am
It's all a bad dream.
C
Screaming Freaky Green Things
       Am
Are coming for you
               C
And there's nothing
          Am
You can do!
