

**Shaun's Magic Coffee** by J.E.Moores

        D                                G        D  
Put Shaun's Magic Coffee in your cup

        G        D        G        D  
It will lift you up, just fill 'er up!

        D                                G        D  
It's the best magic coffee in the neighborhood

        G                                D  
You should have some it's good

        G        A        D  
I mean it's really really good
