F                    E  
Snappin' Turtle, Hurdy Gurdy

E/3                E/2  
Bossanova, Jabberwocky [x2]

          A/2                E/2                    E/3  
The slipstream so seemingly flows free

          A/2                E/2                    E/3  
So dreamily we dance beneath the trees

          A/2                E/2                E/3  
I'd fight you so rightly if I only had the will I might

          A/2                E/2                E/3  
Hold you so tightly and blindly slight the light
