

Why Are There So Many Bugs In Maine? by J.E.Moores

G

Why are there so many bugs in Maine

I'm tellin' ya, it's driving me insane

C

We got mosquitos, black flies, horse flies moose flies

G

Noseums so small they fly through screens

Itchin' so much – startin' to scream

C

and the one thing that makes me sick

Everywhere you go ya gotta check for ticks
