

I Am Alive by J.E.Moores 2020

G
Mama got me a wide brimmed hat
C G
I'll never see the sun again

Mama got me a shiny rain coat
C G
You know it never rained again

G "inC" C G "inC" C
I am alone. Inside. Just like you I get tired. I am alive.

G
Mama tell me dear what went wrong?

C G
Were there wolves in the pasture when you got home?

G
Twenty-twenty-covid one-nine

C G
We isolate and go inside

G "inC" C
We are alone. Getting strange. Everything in our life has changed.

G "inC" C G
We have no jobs, no schools. Living under pandemic rules

G "inC"
Masked and alone, standing in line.

C G "inC" C
Just like you I want to get by. I am alive.

G
Mama got me a new pair of shoes

C G
Can't go outside until the fallout subsides.
