---

Em  
I huddle by the heater with  
E/2  
Mean old Mr. Meaner we  
Em E/2  
Talk about the old days on the road

Em  
When he killed that man and we  
E/2  
Had to change our plan  
Em E/2  
Get the hell outta Mexico

Am/2  
The flag is burning bright  
E/3  
Hold me close dear.  
Am/2  
I've been running so long I can't  
E/3  
Remember where I'm from  
Am/2  
But I know I'm not from here  
E/3  
My eyes are burning from the fear  
Am/2 E/3  
Running... from a gun  
Am/2 E/3  
Running, running, running from a gun
