 D 3
As we start to climb
 5 D
We hold on to one another
 D 3
Soon enough we find
 5 D
Each other together as one
 "inG" G D "inG" G D
As one standing above the sun. As one standing above the sun!

 "inG" G D
Take my hand, I can lift you up.
 "inG" G D
I am your friend. I'm strong enough.

 D 3
This mountain we climb
 5 D
Takes nothing but time
 D 3
My time with you
 5 D
Means so much to me.
 D 3
Soon enough we're free
 5 D
Each other, together as one
 "inG" G D "inG" G D
As one standing above the sun. As one standing above the sun!

 "inG" G D
Take my hand, I can lift you up.
 "inG" G D
I am your friend. I'm strong enough.
