

Already In Bed by J.E.Moores

Am C
I went to lay down but I was already in bed
G D A
Covered in blankets with a pillow for my head
Am
I looked so calm and relaxed
C
I stopped short and stood back
G
I didn't want to wake me with a start
D A
Don't wanna give myself a heart attack!
F
How could this be? I wondered
Am
I felt set free
F Am
So I wandered alone across the grounds and the hallways
F Am
Of my father's home
F Am
Haunting my grandfather's tomb
F
ALL THE BONES!!!
