

## **Bad Guy** by J.E.Moores

Am F  
Wondering about bad guys  
Am F  
And where they come from  
Am F  
At what point do they turn bad  
Am F  
Is it from all the things they never had  
Am F  
Denied love and understanding  
Am F  
Peace from above  
Am  
Once the people try  
F  
To oppose you and your might  
Am F  
They say, "There goes the bad guy."  
A/3 A/1  
Look deeply in my eye  
F  
You can't just sit there alone  
G  
You must apply all you know  
Am F  
Make them pay – you've got to try  
Am  
Be the bad guy  
F  
Make them pay  
Am  
Make them wish  
F Am  
They never laughed in your face  
Am  
Be the bad guy  
F  
Make them pay  
Am  
Make them wish  
F Am  
They never laughed in your face
