

Beautiful Side - J.E.Moores © 1995

You can't see that I'm crying.
You can't see that part of me.
I get so sad although I'm smiling.
You only see the beautiful side of me.

The set is built, cameras are rolling.
Bright are the lights blinding me.
Frightened to the bone 'till I'm shaking
Yet you only see the beautiful side of me.

You can't see that I'm dying.
The part of me yet to be free.
Live so fast, we've all got it coming.
Hold on to the beautiful side of me.
