

Come Closer - J.E.Moores © Dec. 21, 2002

Am
Come closer dear daughter
F
Dry your eyes
Am F
Oh how I miss you and all our lives
C F
Together we'd play, laugh and sing
G
But none of us knows what tomorrow may bring.
Am F
Come closer and listen good.
Am F
I'd hold you in my arms if I only could.
C F
Hold my baby and make it right
G
There's always an end to the darkest of nights
Am F
Please say you'll remember my memory
Am F
As years fill the time with energy
C F
You have what it takes, you seem so strong.
G
Just hum your little love song:

C Am
I love you and you know it's true
F G
Everywhere you go, I'll be there too. [x2]

C Am
I love you. I love you.
F G
I love you. I love you. [x2]
