G                    D  
The big dipper's drippin'.

C            G  
Stars are slippin'.

G                    D  
Constellations Trippin'.

          C            G  
I've gone too far.

C                    G  
I'm a falling star.

          C                                    G  
I'm right there where you are.

C                    G  
So glad to land.

                  D  
Do you see me?

                  D        C            G  
Make a wish - hope and believe... [x4]
