

Flowers and Fire - J.E.Moores © 1995

079XXX - (A string riff: 3,2,0) :

Shine on my son

Flow on as a sea

Flow on

Know you are the chosen one

Shine on covered in flowers and fire

Flowers and fire.

Shine on covered in flowers and fire

Flowers and fire.

(Fat E string riff: 3,2) - Em :

Bow down on me

Now down on me Oh Icarus cried!

I can see my magic wings

Are failing!

Bow down on me

Now down on me Oh beckoning sky

Try as I might from this window's height

I can't seem to fly
