

## **The Groon Who Loved Me** by J.E.Moores

E            G                    A  
Are you Groon enough to love me?

E            G            A  
To love me like the Groon?       :

                 G                    A  
There's nothing wrong with you  
                                 G : (A)  
That the Groon can't tune

G                    A  
Don't put it above me

                 G  
Now I love the Groon

                 A  
The Groon who loved me
