

Lettin' Go - J.E.Moores © Aug 1994

079000 - 068000 - 057000 - 507000 :

I can do it, yes I can.

Hold on stronger than any other man.

Tell ya baby, how ya know

Their ain't nothing harder than lettin' go.

I give you space to breathe

Room to shine like a star in the constellation I'm beneath.

Roam as the creature I'm attracted to

Leave you in the wild, never put you in a zoo.

Such is the power you have over me

I'll never hold you down

You're beautiful when you're free.
