

## Lumberjack Log - J.E.Moores © Aug. 1995

---

A - \*\*riff(G string 4,2) - E - A :

A                   \*\*  
I walk the woodpile lightly  
E                   A  
I roll the lumberjack log  
A                   \*\*  
I feel a little bit dizzy  
E                   A  
Breathin' mountain top fog  
A                   \*\*  
My lass she knits a sweater  
E                   A  
I wear it night and day  
A                   \*\*  
Life couldn't get better  
E                   A  
'Cause sadness went away

D  
And you could come with me  
E/5                   E/3  
We'll make our own leather, we'll chew it together  
A                   D  
We'll move to the deep country  
E/5                   E/3  
Play in the flowers for hours and hours  
A                   D  
Together we will see  
E/5                   E/3  
What our love can harvest if we work our hardest  
A                   D  
Wouldn't you like to be  
E/5   E/3           A  
Deep...       in the country?
