

No Such Thing by Jay E Moores 2026

G D C
What if there was no such thing as no such thing
G D C
The sun wouldn't rise, birds don't sing
G D C
Kids everywhere, well they would not exist

G
No little brother, no big sis
D C
No daddy, no mama
G - D
Life would be hard
C
Without you

G D C
What if there was no such thing as no such thing
G D
All that empty space, what would it bring
C
So much room, cause there's nothing in it
G D
Nothing to remember, so just forget it
C G
Would I still exist, if only to miss
D C
Material objects, people places and pets

G - D
I'd miss your tiny faces
C
I'd miss your tiny faces

G D C
What if there was no such thing as no such thing
G D C
What if there was no such thing as no such thing
