

**Nothing Denied** - J.E.Moores © Aug. 1996

---

A string riff: 4,4,2,4,7:

4 2 7  
I stole a little time with a lie

4 2 7  
Couldn't let the moment slip on by - and I

A/7 E/5  
Got what I wanted there was nothing denied

4 - 2 - 4 - 7  
And with a kiss said good bye.

4 - 2 - 4 - 7  
Strange these vows of love and life

4 - 2 - 4 - 7  
Gaining momentum and passing by

A/7 E/5  
I did what I could by any means I tried

A/7 E/5  
And the wind did howl as the sky she cried

A/7 E/5  
Sister sweet sister so far out in the storm  
I race through the distance to save her from harm  
To the cottage by the fire I will take her home  
No you will not be there all alone (x2)

4 - 2 - 7  
I stole a little time with a lie

4 - 2 - 7  
Couldn't let the moment slip on by - and I

A/7 E/5  
Got what I wanted there was nothing denied

4 - 2 - 4 - 7  
And with a kiss said good bye.
