Down in the valley, there's an IPO

F A F A
They owe two billion with nothing to show

E A
That's a start up with no get go.

E A
That's a start up with no get go.

F A F A
We can't all be eBay or Amazon

F A F A
And AOL will only log you off

F A F A
When the Napster Wars have all been won

E A
On that day we'll all have our own dot com. [x2]

F A
My modem is too slow

F A
The guys with the T1 line didn't show

F A
Now they've dug up my yard

F A
And we're still waiting for parts

F A F A
It's like I told you the net's pissin' me off

E A
Someday we'll all have our own dot com. [x2]
