

## The Potato Song by J.E.Moores

G C Am C  
Please feed my people potato

G C Am C  
They are completely unable to go on.

G C  
They are a hungry people.

Am C  
Feed them and they get strong.

G C Am C  
It's so easy to right this wrong.

Am C Am G  
Feed them and they get strong. Feed them and they get strong!

G C  
A thousand points of light fade away

G C  
Gotta fight to keep what you have every day

Am C  
Until it stops and you don't know what to do

G C Am C  
Please feed my people potato

G C Am C  
They are completely unable to go on.

G C  
Please feed the wee tiny people.

Am C  
They're so small.

G C Am C  
It's so easy to grow tall

Am C Am G  
But it's so hard to be small. It's so hard to be small!

G C  
A thousand points of light fade away

G C  
Gotta fight to keep what you have every day

Am C  
Until it stops and you don't know what to do
