Baby did you ever hear the call?

\*5                    \*3                                    \*5                    \*3  
Emotionless you feel yourself as you're racing toward the door.

\*5                    \*3                                    \*5                    \*3

\*5                    \*3                    \*5                    \*3  
Maybe did you ever feel yourself racing toward the door?

\*5                    \*3                    \*5                    \*3  
Did you ever explain the reason why you left me here for some more?

A/3                    G                    F                    A/1                    A/3  
Baby did you ever wonder why I'd be waiting here for you to come on by?
