Room In This World For You by J.E.Moores   "inG" = 032030

       "inG"   G
There is room in this world for you
       "inG"   G
There is room in this world for me
           F   C
I open up my door, see all the smiling faces
            G
Feels good to be alive
    F   C   G
No matter how bad it hurts deep down inside
     F   Am
You'll beg for more in the end
 F   Am - G
Time is not your friend
        Am
This life is for you
       C
This life is for me
    F   Am
We can help one another
   G   F
Let's set each other free
      Am
This life is now
    C
It won't wait
 F   Am   G   F
Hold on to one another before it's too late

     C   Am   G   :   end on C
It would feel so good to hold you in my arms
