"inG"

Grandma brought a sack of rice today

It was a family tradition

G

To welcome you to a new home

C

Grandma is set in her ways

Wishes abundance and health

Romance and wealth

G

And to never be alone in your day

"inC"

C

We welcome you to your happy home

G

Where has the time gone?

"inC"

She was once that little girl

C

Just her against the world

G

That keeps rolling along

F

The great big world

C

Fills up my song

G

Keeps rolling along
