

Sunlight - J.E.Moores © Sept. 1992

Am/3
Sunlight, sunlight

E/4
I tried, I tried

Am/3
To reassemble broken switches

E/4
Light up the night, light up bright.

Am/3
My flimsy fingers long to linger

E/4
Feel you up tight, up tight.

F E/2
The road is so slow, where it goes I don't know

F E/2
I can see that it's rattling me.

F E/2
I have found in my mind some of you all the time

F E/2
Can you see that it's rattling me?
