

## Toothy and Vile by J.E.Moores

G  
The Hunchback  
C  
Loaned me his curtain  
F G  
To hang gently by the light  
F G  
So that I would sleep all right  
C F  
The Hunchback don't mind - he's so nice  
Em F Em  
He knows how the light of the moon bothers me  
F6  
Keeps me up odd hours  
C  
Puts me on the prowl  
G  
He knows what's right  
F  
The Hunchback hangs his curtain  
C  
So I can sleep at night  
G F  
Winds the locks on the doors and shutters tight  
Em F  
The Hunchback is a good guy  
Em F C - F :  
But you'd never guess from his smile - toothy and vile  
G F  
His uncle was a Lycanthrope  
Em F G F  
So he understands my plight - I'm not saying it's wrong or right  
Em F G F  
But the Hunchback protects me - we're some sort of family  
Em F G  
Both so ugly and rude - he locks me up and brings me food  
Em F C - F :  
We've been this way a long while - toothy and vile  
Em F C F  
Sometimes I want out - so I cry and shout
