

Don't Go To Union by Jay E Moores 2026

C G

Don't go to Union

They might eat you – they will try

C G
They will live and you will die

F
Don't go to Union

The town I grew up in

The town I threw up in

I had to get out go down the road see the world

I had to get out learn some skills find my girl

And when I got out, I went all the way

Until I was back with Uncle Tim & Aunt Faye

F
Back in Union

G
Where my family lives

I often see them there

C
But still, I must warn you:
