"in"C "in"C C He's Vlad the Inhaler, he's my crazy neighbor Got a yard full of engine parts and more. When the neighborhood complains That he should clean up his game It turns into an all out suburban war. They rant and rave, call the cops All the cussing and the fighting's gotta stop. It makes me mad to live this way. C Can't we all get along, won't you set my people free? "in"C It's ugly out there. I don't like to go. "in"C Just by stepping out front I'm involved
