

**Wave** - J.E.Moores © Feb. 1994

---

Em G  
Shine shine with all your might  
A/2  
Blinded to see, see all the sights  
Em G  
Finding what's right for you and you see  
A/2  
The scene is so unseemly, it's  
Em G  
Worth the fight, you were right  
A/2  
I wasn't quite right in the way  
Em G  
That night and the sea and the hope and the dream  
A/2  
Found its way back to me.

chorus:

Em-G A/2  
With a wave of my hand - I turn them all away  
Em G A/2  
Sounds pouring from the land - here is where I'll stay  
Em G A/2  
Fleeting are the beatings of my heart - toward the wind  
Em G A/2  
I'm failing you, I'm yelling once again! [end here second time around]

Em  
I'm holding you loosely  
G  
I'm rightly uptight, I've  
A/2  
Seen hazy boarders 'tween wrong and the right  
Em  
I flail in the ocean  
G  
I wave in the waves  
A/2 Em - G - A/2  
The water it passes me down to my grave

[chorus]
