

## **Winding Wind** by J.E.Moores

C G  
Talk to me

C G  
Like it's the last time

C G  
We ever meet

C G  
Like it's the last time

C  
You ever see me again

F  
I will miss you my friend

G  
Think of me when it's gray outside

Am F  
Protect yourself from the winding wind

C G  
Talk to me

C  
Like you'll never see me again

F  
I will miss you my friend

G  
Think of me when it's gray outside

Am F  
Protect yourself from the winding wind

Am F  
When it starts raining down on all your sins

Am  
Wondering where to begin

C G  
Start right now and talk to me

C  
Like you'll never see me again
