Now I'm fine – the scars are all mine
 G F
Bruises are gone – they took you away
 C
I miss you everyday
 "inC" G F
It's so quiet here without you
 C "inC"
Without you – there's less fear
 G F
Think what I want – say what I want to hear
 C "inC"
Out loud – stand up and be proud
 G F
Wish you could see me – how I wish you were here
 C
I want your approval
 "inC"
Do I stand up to the test?
 G F C "inC"
Your scrutiny – will I ever be the best – at anything – in your eyes
 G
You have so much power over me
 F
You are my prize
 C "inC"
When I cry – the tears are mine
 G F
Like the sun never shines when you're away
